STATEMENT OF ALTA FOREST PRODUCTS, LLC'S WESTERN RED CEDAR LIMITED WARRANTY

The warranties provided by Alta Forest Products, LLC, a Delaware limited liability company ("Company"), in this Statement of Western Red Cedar Limited Warranty ("Limited Warranty") apply only to products that you as the end user ("End User": "you" or "your") purchase. This Limited Warranty cannot be transferred or assigned except to a subsequent owner who purchases or is assigned the fence of which the Product is a part from the End User and owns it during the Warranty Period described below. This Limited Warranty only applies to End Users who are consumers and it does not apply to resellers, wholesalers, installers, distributors or other commercial users of the Product. The term "Product" or "Fence Boards" means only Alta Western Red Cedar Fence Boards that have grades of number 2 or better. This Limited Warranty does not apply to any other product manufactured by Company or a third party. This Limited Warranty does not apply to fence posts and/or other Company-branded products and/or their features, conversions, upgrades, elements, or accessories and/or any combination of them. NOTHING IN THIS LIMITED WARRANTY AFFECTS ANY STATUTORY RIGHTS OF CONSUMERS THAT CANNOT BE WAIVED OR LIMITED BY CONTRACT.

1. What is Covered by This Limited Warranty

- (a) Company warrants that the Product will not Structurally Fail due to Rot, Insect Infestation, or Fungal Decay for a period of fifteen (15) years from Date of Purchase (the "Warranty Period"). The term Date of Purchase, as used in this Limited Warranty, shall mean the date of your invoice or sales receipt. For purposes of this Limited Warranty, the terms Structural Failure or Structurally Fail shall mean the inability of the Product to perform as a fence board due to Rot, Insect Infestation or Fungal Decay. The terms, "Rot" or "Fungal Decay," as used in this Limited Warranty, shall mean attack by wood-destroying fungi that disintegrate the wood cell walls. The term Insect Infestation means that the Product has been completely overrun by wood destroying pests or parasites in a manner that can adversely impact the structural integrity of the Product.
- (b) If a valid warranty claim is received from the End User within the Warranty Period, Company will, in Company's sole discretion, either: (1) provide new or refurbished Fence Boards at no charge, to replace those Fence Boards that Structurally Failed; or (2) refund the purchase price of any Fence Boards that have Structurally Failed. Any new or refurbished Fence Boards provided by the Company under this Limited Warranty will remain subject to this Limited Warranty for the remaining Warranty Period of the original Fence Boards.

2. What is Not Covered by This Limited Warranty.

- (b) The term "Weathering", as used in this Limited Warranty, shall mean effects caused by natural weather processes on the Product which includes, but is not limited to, raised grain, splitting, checking, twisting, warping, shrinkage, swelling or any other alteration of the physical properties of the wood.
- (c) The Product must be installed with three (3) rails using galvanized or stainless fasteners and in accordance with all other instructions in order for the Products to be covered by this Limited Warranty.

3. Obtaining Warranty Coverage.

- (a) To protect your rights under this Limited Warranty, please return a completed registration form, which is available from your local dealer or at altafp.com, to Company ("Warranty Registration Form") with proof of purchase within thirty (30) days of purchase. Warranty coverage is not conditional upon the return of the Warranty Registration Form, provided that you can furnish proof that the Product was supplied by Company. Please be advised that because the Product is a natural wood product, there is no way to determine whether the Product was manufactured by Company. There are no markings or identifiable characteristics on the Product identifying it as being manufactured by Company. The only method to prove your fence boards are an Alta Product is to provide proof of purchase showing the purchase of a Product Manufactured by Company. Because of this, returning the Warranty Registration Form along with proof of purchase is the best way to ensure your fence boards can be identified as a Product manufactured by Company.
